

C) Remarks

The present application is filed as a divisional application in further response to the restriction requirement dated February 19, 2004 set forth in Applicants' parent application Serial No. 10/305,475. Applicant hereby amends the text and claims of Applicant's parent application to place the application in better form to prosecute the inventions of group II originally consisting of claims 16 -19, 23, and 24. Claims 25-28 have been newly added claims similar to non-elected original claims 20 - 22 but redrafted to now depend from method claim 23.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Clifford A. Poff', is written over the typed name.
